

FEATURED EXPERTS:

**Robert Rhyne, MD**, is a professor and vice chair of the Department of Family and Community

Medicine at the University of New Mexico School of Medicine and sees patients at UNM Family Health's NE Heights Clinic. He is principle investigator for the HERO TRaILs (Health Extension Rural Office - Translating Research Into Localities) project.

**Ernest Dole, PharmD, FASHP**, manages ambulatory care patients with chronic pain and

participates on an inpatient pain service at UNM Hospital. He has served as a section chair of the American Society of Health-System Pharmacists and president of the New Mexico Society of HealthSystem Pharmacists.

**Danelle Callan, MA**, is the project manager for the HERO TRaILs program and works with the

UNM Department of Family and Community Medicine on pain management and safe opioid prescribing. She is among the key personnel who developed the HERO TRaILs curriculum and toolkit.

# Safe Opioid Prescribing and Chronic Non-Cancer Pain Management

*Approved by NM Medical Board\* to meet 5 hours of pain management education requirements.*

**Saturday, October 19, 2019 | 9AM to 3PM**

**Domenici Center for Health Sciences Education - North Wing (Rm 3740)  
University of New Mexico  
Albuquerque, NM**

This program is being offered for medical providers who prescribe opioids and interested medical practice staff and includes:

- An overview of evidence-based best practices in the management of chronic non-cancer pain (CNCNCP) and opioid prescribing
- Use of the Prescription Drug Monitoring Program
- An algorithm-based approach to treating and managing CNCNCP
- Tools to help identify appropriate non-opioid therapies
- Resources for use when inheriting patients on opioid therapy
- Resources for patient education
- An overview of best practices in the use of electronic health records to manage chronic pain and patients on opioids
- Opportunities to dialogue with experts and other providers
